MEMORANDUM FOR: Chief, Personnel Branch, SSD/TSSG

STAT   ATTENTION   : [   ]

STAT   SUBJECT   : [   ] (Co-op)

1. We are very much interested in hiring [   ] His previous
association with us was very acceptable. However, as you are aware,
we have a severe T.O. problem. Hiring [   ] at a GSS-08 would force
us to encumber a badly needed GS-12 slot. As a consequence, it is not
practical for us to do so at this time.

2. I have discussed this problem with [   ]. However, no
conclusions were forthcoming from our conversation. Essentially, we
cannot move in this area until we obtain some clarification on the
relationship of these co-ops to our T.O. This is a problem we should
tackle now since it is not the first nor the last time that this situa-
tion will occur and therefore highlights a major weakness in our current
co-op program. Please let me know if I can be of further assistance.
